The massive month of sales combines for a total of 176 properties sold by Adam this financial year so far. The combined value of these properties sold totals an imposing \$79 million.

Mr Naumovski is a highly regarded real-estate agent in Western Australia, having been awarded the status of “Grand Master” for excellence in sales by the Real Estate Institute of Western Australia (REIWA) for the consecutive years of 2019, 2020 and 2021.

Not only has Adam achieved a place in REIWA’s Top 30 salespeople in WA for every month over the last 2 years, but he has also retained REIWA’s Master Salesperson award between 2015-2019.

Commenting on the personal record, Mr Naumovski said:

“It has been a massive month, having sold some amazing properties across Western Australia to some wonderful buyers. These major sales reflect the hard work put in, building a network over the past 15 years in the industry.

“While it is rewarding to see this dedication and persistence come to fruition, I could not have accomplished all this without the strong support of the Agency Group team. The Agency model sees one central office in Perth manage all the Group’s transactions in the state, and it is fantastic to know I can rely upon the team to take on such an immense workload whenever it is needed.”
